AN ACT to create 20.115 (3) (f) and 93.525 of the statutes; relating to: providing planning assistance to farmers and making an appropriation.

Analysis by the Legislative Reference Bureau

Under this bill, the Department of Agriculture, Trade and Consumer Protection provides planning assistance to farmers, including farmers seeking to transition into other farming practices to diversify farm operations, as follows:

1. The bill authorizes a position in DATCP for providing assistance to farmers considering a transition to different farming practices and identifying diversification strategies for farmers.
2. The bill authorizes 1.5 positions in DATCP to provide farm succession planning, financial and business consulting services, and farmer transition planning and coaching. Under current law, DATCP provides consultation and assistance to distressed farmers through its farm center program.
3. The bill authorizes a position in DATCP for conducting outreach and marketing for DATCP’s farm center program.
4. The bill requires DATCP to provide grants to county agriculture agents of the University of Wisconsin—Extension to help farm operators hire business consultants to examine their farm business plans.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.
