Little Chute Foot Ball

The Little Chute foot ball team has already organized and is ready to meet any and all comers, that is, teams averaging from 150 pounds up. They have strengthened considerably and there is one thing for sure that if they smash up against the Little Chute line-up, they are smashing against a stone wall. Manager Joseph Lenz is working his men hard, and is getting them all ready for the Green Bay packers, which team they will play October 2 at that city.

The Little Chute line-up:

J. Gerrits, center; M. Hermsen, right guard; J. Strick, right tackle; C. Helf, right end; S. Hermsen, left guard; Chief, left tackle; Bunks, left end; M. Vanstogen, quarter back; A. Hartjes, right half; E. Mollen, left half; Rjstau, full back.
