Mr. Jaime Harrison
Chair
Democratic National Committee
430 South Capitol Street – Southeast
Washington, DC 20003

Dear Chair Harrison:

Thank you for the invitation to express our interest in hosting the 2024 Democratic National Convention. Our response is an enthusiastic YES!

This city is known for being hardworking, honest, respectful, inclusive, and diverse. We care about our neighbors who face challenges, understanding government plays a vital role in promoting fairness and protecting people from harm.

We are in a state and a region that is neither red nor blue. This is a location where both major political parties want to make a statement and encourage voters to join them.

Milwaukee is familiar with the extensive work and coordination necessary to prepare for a big political convention. We navigated that complicated path leading up to the 2020 Democratic National Convention. While interrupted by a pandemic, Milwaukee was ready put on a great event. And, we are set to do it again.

We are ready with facilities and hotel accommodations to fully meet the convention's needs. In fact, Milwaukee will be particularly well situated in 2024 with a newly expanded convention center in close proximity to the Fiserv Forum arena.

Milwaukee is a city of winners – our people, our businesses, and, yes, our major league sports teams. We invite you to embrace our winning attitude and select Milwaukee as the host of the 2024 Democratic National Convention.

We look forward to continuing the discussions and welcoming you to take a closer look at Milwaukee.

Sincerely,

A handwritten signature in black ink that reads "Tom Barrett".
