About the AMA Health Workforce Mapper:

The AMA Health Workforce Mapper is an interactive tool that illustrates the geographic locations of the health care workforce in each state.

About the AMA Health Workforce Mapper Project Team:

[The American Medical Association](#): The American Medical Association (AMA) is a tireless advocate for physicians and patients in state.

[Robert Graham Center](#): The AAFP's Robert Graham Center for Policy Studies in Family Medicine and Primary Care is a research center.

[HealthLandscape](#): HealthLandscape develops, administers, and markets geospatial analysis software tools and professional services.

[AAFP](#): The American Academy of Family Physicians (AAFP) is the national association of family doctors. It is one of the largest national
