(Superior, WI) – **Death investigation at Fraser Shipyards**

Officers with Superior Police Department are investigating the death of a worker who fell off a ship in drydock at 1 Clough Ave.; Fraser Shipyards.

At approximately 11:50a.m. today, Monday, December 5th, 2022, The Superior Police Department, along with the Superior Fire Department and Mayo Clinic Ambulance, responded to a medical call at Fraser Shipyards. Initial information from the caller reported a worker had fallen off a ship approximately 50 feet to the ground below.

Despite lifesaving efforts, the 64 year old male from Watertown, WI was pronounced deceased.

While the incident remains under investigation, the Superior Police Department does not suspect this was anything other than a tragic accident. The name of the victim is not being released at this time, pending notification of next of kin.

We extend our heartfelt condolences to the worker’s family and friends for their loss.
