

Dear Mr. Mayor,

I am affected by reckless driving
because. Can you plz hold the
parents accountable, and more detention
centers, and get kids out of Milwaukee
and have more all out in the hood
and then we can have a better
world, because it's older people
and they have kids they need
to take care of.

Dear Mr. Mayor,

In My opinion I feel like this does effect
Me Because kids are driving reckless
and We all are the same if a car is
being stolen anybody can be hit and everybody
life is in danger and parents act
like they does not care that there
child is putting people in danger so i
feel like We should charge the parents
More So they can show there kids
attintian.

Dear Mr. Mayor,

Hi my name is Lauren and I am
affected by reckless driving in
our city because people are dying
and I do not like the way these people
drive and my cousin got in a car
accident I think they should lock the
parents up or put the kids in detention

Roosevelt Middle School Student,
Lauren Stallworth

Dear Mr. Mayor,

I am effected by reckless driving because some people
are driving because of this. These young kids are
ruining people lives. I think that they should have a
police officer in every school parking lot.
I also think that the parents should be charged.

Dear Mr. Mayor,

Over the past year it been alot of people dying
and I am affected by the reckless driving
in our city because I lost to many poeple
from reckless driving. I want change things
aroud and make are city better like
have more cops aroud and always be
ready and all of the reckless dirving
needs to stop payers to milwaukee.

Tamia Davis

Dear Mr. Mayor,

I am affected by reckless driving in our city because a lot of kids are dying and adults. It affects me because when I'm walking to stores people are driving on sidewalks driving straight to me even in school. A group called K.A. Boyz drive circles around the sign and try to scare you. That incident scared me because they kept driving towards me. To help this problem they should have more advanced driving test and make cars hard to steal.

Roosevelt Middle School Student,

Dear Mr. Mayor,

RECKLESS DRIVING DOESN'T EFFECT ME PERSONALLY

BECAUSE I CAN'T DRIVE YET, BUT JUST 'CAUSE IT DOESN'T

EFFECT ME DOESN'T MEAN IT'S NOT A PROBLEM.

A WAY TO FIX THAT PROBLEM IS TO MOVE UP THE AGE

OF WHEN YOU CAN START DRIVING FROM SIXTEEN TO

EIGHTEEN. SURE, IT'S GONNA SUCK BUT THERE'S

OTHER WAYS TO GET FROM POINT "A" TO POINT

"B" YOU COULD WALK, GET AN UBER, TAKE THE

BUS, IT'S NOT THAT HARD. AND IF THAT DOESN'T

WORK THEN CHARGE BOTH THE PARENTS

AND THE KIDS 'CAUSE I KNOW IF I GOT

A TICKET AND NOT ONLY ME BUT MY MOM

ALSO HAD TO PAY FOR IT, IT WOULDN'T HAPPEN

Twice, SHE CAN LAURENTE THAT.

Roosevelt Middle School Student,

Dear Mr. Mayor,

Reckless driving should be stopped!
Kids ages 16 and under should
not get a drivers license, especially
if they're not mature well
enough, and charge the parents
for those kids driving like that.
So let this be a change for
this city. Hold the parents
accountable and more detention
centers.

Dear Mr. Mayor,

I am affected by reckless driving
in our city because so many people are
dying because of reckless driving these teenager
is stealing cars the people who steal cars should
go to jail. And they should hold the parents
accountable.

Roosevelt Middle School Student,

Dear Mr. Mayor,

I am affected by reckless driving in
our city because it somebody

hit me by a car going fast

I think the parent should be accountable

because people cars would not

be getting stolen and if they

had they kids in control people

cars would not be getting stolen

Roosevelt Middle School Student,

Dear Mr. Mayor,

I am affected by reckless driving in
our city because it's taking little
kids' lives, and something. I
think they should do about it is
that they should charge the parents
for what the kids did

Dear Mr. Mayor,

This is Jamila, and I am affected by reckless driving in our city because parents are worried about if they should send their kids to school because they are worried if their kids will get hit by some reckless driver. So maybe if you hold the parents accountable it will be less reckless driving.
