MPD releases inaugural newsletter to improve community relationships

The Milwaukee Police Department is excited to invite our community to read our new inaugural newsletter entitled The Guardians. As an effort to increase transparency, accountability, and address the challenges we face, The Guardians will be available for the public to read quarterly.

The Guardians is an interactive online newsletter that will feature crime statistics, exclusive stories and will highlight some of the great work done by the members of our agency, as well as the members of our community. This newsletter contains new and exclusive community stories along with information previously released by MPD's Public Relations Office. The purpose of The Guardians is to highlight information that has impacted our city and to share it with our residents so that everyone can stay informed.

On behalf of Milwaukee Police Chief Alfonso Morales, and the MPD family, please enjoy [The Guardians – MPD 2020 Summer Newsletter](#).
