## MENASHA JOINT SCHOOL DISTRICT ANNOUNCEMENT

The Menasha Joint School District has been actively involved in discussions with Outagamie and Winnebago counties since announcing our bold vision to convert the UW-Oshkosh Fox Cities property. We have also appreciated the feedback that we have received from school district residents.

The District remains committed to creative solutions to solve the childcare crisis in our community. We are eager and willing to continue the conversation about the future of the UWOFc property, but after careful consideration, the Menasha School District has determined that it will not be the owner of that property.

From the onset of these discussions, we emphasized the importance of careful consideration of the long-term financial health and sustainability of the school district. A common theme in the community feedback received by the District was a desire for more information about the project's impact on Menasha Joint School District taxpayers and the potential costs to the school district. Without these details and more opportunity for public discussion about these details, our plan lacks sufficient support.

We will continue our commitment to find ways to maintain a strong foundation for ongoing educational success and growth, benefiting both current and future students, as well as our entire community.

For additional information, please contact Matt Zimmerman at [REDACTED]@mjsd.k12.wi.us.
