2	71.28 (8b) (a) 7., 71.28 (8b) (c) 2., 71.47 (8b) (a) 7., 71.47 (8b) (c) 2., 76.639 (1)

4	(em) and 234.45 (5m) of the statutes; relating to: changes to the low-income
5	housing tax credit.

Analysis by the Legislative Reference Bureau

Under current law, the Wisconsin Housing and Economic Development Authority administers a low-income housing tax credit program. Under that program, a person may claim as a credit against the person's income or franchise tax liability, or against the person's liability for fees imposed on an insurer, the amount allocated by WHEDA in an "allocation certificate" for a qualified low-income housing project. The annual amount of tax credits WHEDA certifies under the program may not exceed \$42,000,000. The bill increases that annual cap to \$100,000,000.

The bill also requires that WHEDA, if possible, ensure that at least 35 percent of the tax credits it allocates each year under the program are for qualified low-income housing projects in rural areas in Wisconsin and removes the requirement that a qualified low-income housing project be financed with tax-exempt bonds.
